## Kent Karrier – All you need to know

### What is it ?

Kent Karrier is a flexible dial-a-ride service that takes members directly from their door to a number of useful destinations in their local area. All services are operated with wheelchair accessible vehicles and our experienced drivers will give you all the help you need.

### Who can use it ?

To book the service you need to be a Kent Karrier member and quote your membership number. You can become a member if you have a mobility impairment or other medical condition that makes travelling on public transport difficult or if you live in a rural area more than 500 metres away from a bus stop or railway station. Carers or companions can also travel.

### How do I apply ?

If you don't already have an application form then phone Kent County Council on 01622 605 349 and we will send one to you. Once completed, send your application to Kent Karrier, Kent County Council, Transport Integration, Gibson Drive, Kings Hill, Kent, ME19 4QG. We will write back to you with your membership number, which you use to book your journey.

### What does it cost ?

Membership costs £5 per year. Return journeys cost £1.70 from Urban areas and £3.10 from Rural areas as detailed in the leaflet. Concessionary fare passes are not valid for travel on Kent Karrier services.

### How do I travel ?

You need to phone the operator, Compaid on 01892 722 297 and book your journey. You will need to give your membership number, tell them where you want to go and when you want to travel. The operator will tell you what time you will be collected.
